

Rigorous & Relevant Academics • Christ-centered Relationships

Secondary Principal Grades 6 – 12

Exciting leadership opportunity in Oakland County, the 2nd most populous county in Michigan and 31st most populous county in the nation. Oakland Christian School in Auburn Hills, Michigan, is seeking a Christ centered Secondary Principal to lead our Middle School and High School of approximately 300 students in grades 6 – 12. OCS is an independent non-denominational pre-K through 12 Christian school with families from over 100 different local church affiliations.

The opportunity here at OCS is incredible. As we celebrate our 50th year, we are driving to a bright future of growth, increased opportunity and mission delivery, and long-term sustainability, ALL for the glory of God!

The ideal candidate would be a strong educator and experienced leader who can work independently and is comfortable in a dynamic environment of change. One who is more motivated to "write the book" versus simply "following the book". Someone who would be interested in a long-term opportunity of personal and professional growth. Someone who enjoys cultivating a fun learning environment while building positive relationships with the student body.

OCS is integrating the Deeper Learning and Teaching for Transformation approach into our classrooms to increase engagement and focus on teaching the whole child - forming his/her character first and foremost which will ultimately increase academic achievement but more importantly, create Godly people serving God's Kingdom. We strive to make our school a fun and exciting place for students and for employees.
