TOMORROW'S INNOVATORS, THINKERS, AND PROBLEM-SOLVING LEADERS

The Oakland Christian Robotics Team competes in VEX Robotics Competitions to design robots that can successfully complete autonomous and driver-controlled challenges.

All aspects of the design, troubleshooting, and documentation are completed by student-led teams.

In five years, Oakland Christian Robotics has achieved considerable success!

- 6 Tournament Champion Awards
- 4 Excellence Awards
- Multiple Design Awards
- State Championship qualifiers 3 years in a row
- World Championship qualifiers 2 years in a row

Play a major role in the success of our team through your sponsorship. Sponsorships help fund robotics kits, competition costs, hardware, and more!

Oakland Christian School is a registered 501(3)c organization. You will receive a receipt for your donation.
