Student Conduct

Parent, please review the following expectations with your child:

- Children must remain in the Before and After School area with the designated staff.
- Children are to act courteously and appropriately, be cooperative, and follow instructions.
- School building rules apply along with Childcare rules.
- Children are to respect the rights and property of others.
- Appropriate and acceptable language is expected.
- Children are expected to be responsible for their actions.
- Materials and equipment are to be treated properly and returned to their places.

Discipline

- If a problem occurs, the members of our staff use positive methods of discipline that encourage self-control, self-direction, and cooperation.
- Most disruptive behavior will be handled with a “removal from the activity,” which gives the child time to regain self-control and time to think about his/her actions.
- Inappropriate behavior will be brought to the attention of the parent who picks up the child and to the director of the program and/or the principal. We will follow the published discipline plan located in the Elementary Handbook. Please review those policies.
- Chronic disruptive behavior will not be tolerated. An incident report will be given to the parent or guardian to read, and then a meeting with the director/ principal will be arranged.

- Any child intentionally harming another child, himself or herself, or a staff member
