Variable Tuition

Variable tuition is a need-based tuition assistance program similar to those used by many private schools, colleges, and universities. This program allows families to apply for reduced tuition that is right for their family's financial situation. The goal of the variable tuition program is to make Oakland Christian School affordable to as many qualified students as possible.

Families interested in a variable tuition rate may apply by submitting an online application through FACTS Grant & Aid. There is a \$35 fee to apply. To qualify for a variable tuition rate, a FACTS Grant & Aid application must be submitted each year.

Tuition Discounts and Fees

Multi-child discount - There is a \$500 tuition discount per each additional child in the same household.

Spanish Immersion - There is a \$1200 fee assessed each year in grades K - 5 for the SI program.

Tuition Policies and Payment Options

FACTS Tuition Management - Oakland Christian School uses FACTS Tuition Management for the receipt of all tuition and incidental expenses throughout the year. All families are required to have a FACTS account for the payment of tuition and fees.

Tuition Cycle - OCS tuition is *charged* based on a 12-month cycle beginning in May and ending in April of each school year. Tuition may be paid in full upon enrollment or set up on a monthly payment plan.

Monthly Payment Plan: Tuition is billed monthly based on a 12-month cycle beginning May 1 and ending April 30 each school year. Payments are calculated by adding tuition charges for each student and dividing by 12. Families enrolling students after May 1 may be expected to make additional payments to catch up on those that were not made during summer months (May-August). Tuition will be billed and collected by FACTS Management with payments made from checking or savings account via electronic funds transfer (EFT) or credit card (FACTS charges an additional fee for credit cards), to be received on the 5th, 15th, or 25th day of each month.

Late Payment Policy: Payments received after the last day of a month will be considered late, and a \$50 monthly fee will be added to the family account. FACTS will assess a \$30 returned payment fee the first time an individual payment fails. All financial accounts must be kept up-to-date in order for students to continue their education at OCS. Children of families whose accounts fall more than 60 days behind may be prevented from attending school.

Refunds: Refunds of tuition paid will be made for the months following withdrawal. Families withdrawing a student after acceptance and/or re-enrollment are responsible for all payments due through the month a withdrawal takes place, even if classes are not yet in session. Attendance during part of a month is considered a full month for refund purposes.

Before and After School Childcare (OMEGA)

OMEGA is available before and after regularly scheduled class times for all enrolled students, JK - 8th grade. OMEGA is billed separately from tuition at the end of each month at a prorated amount of \$7.25 per hour, per child. Hours of operation are M - F, 7 a.m. until 6 p.m. Late pick-ups after 6 p.m. will be billed at \$1/minute. (Please note that this program is subject to change per COVID restrictions.)
