Tuition Assistance

Oakland Christian School offers need-based Tuition Assistance to new and returning families with students enrolling in Junior Kindergarten through 12th grade. We recognize that a private, Christian education is a meaningful investment and seek to partner with families for whom affordability is an important consideration.

Oakland Christian School uses FACTS Grant & Aid Assessment, an independent third-party service, to provide an objective and confidential financial analysis. Based on FACTS' assessment, Oakland Christian School determines Tuition Assistance awards, which are funded by the school and awarded annually to families who apply and qualify based on demonstrated financial need. Awards are limited to available Tuition Assistance funds.

How to Apply

Families may apply online through FACTS Financial Aid. A \$45 application fee is required, and an application must be submitted **each year**. Supporting tax documentation is required.

Tuition Policies and Payment Options

FACTS Tuition Management - Oakland Christian School uses FACTS Tuition Management for the receipt of all tuition and incidental expenses throughout the year. All families are required to have a FACTS account for the payment of tuition and fees.

Tuition Cycle - OCS tuition is *charged* on a 12-month cycle beginning in May and ending in April of each school year. Tuition may be paid in full upon enrollment or set up on a monthly payment plan.

Monthly Payment Plan: Tuition is billed monthly based on a 12-month cycle beginning May 1 and ending April 30 each school year. Payments are calculated by adding tuition charges for each student and dividing by 12. Families enrolling students after May 1 may be expected to make additional payments to catch up on those that were not made during the summer months (May-August). Tuition will be billed and collected by FACTS Management with payments made from a checking or savings account via electronic funds transfer (EFT) or credit card (FACTS charges an additional fee for credit cards), to be received on the 5th, 15th, or 25th day of each month.

Late Payment Policy: Payments received after the last day of a month will be considered late, and a \$50 monthly fee will be added to the family account. FACTS will assess a \$30 returned payment fee the first time an individual payment fails. All financial accounts must be kept up-to-date for students to continue their education at OCS. Children of families whose accounts fall more than 60 days behind may be prevented from attending school.

Refunds: Refunds of tuition paid will be made for the months following withdrawal. Families withdrawing a student after acceptance and/or re-enrollment are responsible for all payments due through the month a withdrawal takes place, even if classes are not yet in session. Attendance during part of a month is considered a full month for refund purposes.

Before and After School Childcare

Childcare is available before and after regularly scheduled class times for all enrolled students, JK - 8th grade. Charges are billed at the end of each month at \$8.50 per hour, per child. Hours of operation are Monday-Friday, 7:00 - 7:30 a.m. and 3:30 - 6:00 p.m.
