

I pray that you can continue to provide Christian education and other Christian content for children!

I pray that you have a continued focus on Biblical teaching and a commitment to nurture a loving and inclusive community.

I pray that you have continued growth and educational excellence.

I pray that God continues to bless our school, our students and our staff.

I pray that God would please open the hearts of the OCS community so they can share the blessings You have given them.

I pray that as we believe together, we will become an even stronger community each day, lifting each other up just as we would in God's kingdom of heaven. I pray for us not to wait until we are there for us to make better choices, but instead for us now today to open our hearts to God's love so that we can all share this together in our community here at Oakland Christian School.

I pray that each student finds the strengths that God has blessed them with and uses that strength towards His Glory!

I pray that OCS continues to do God's work in our children.

I pray that OCS continues to grow, for patience for all of the teachers, and that OCS continues to bring the love of Jesus to their families and community.

I pray, in thanksgiving, that God brings many young children and their families into a loving relationship with Jesus and each other.

We thank you for our Oakland Christian School. We pray for our teachers, students and our entire community. We pray for a school where everyone is respected and all are deeply valued. We ask all this through Jesus Christ our Lord. Amen.

I pray that God continue to watch over and guide the directors and teachers of this wonderful school! May they always look to God for all decisions and choose the best path for their students. And may the parents support and trust the leadership and encourage their children to do their very best and to treat each other with love and respect. Amen

I pray that this donation be dedicated to continue to improve the school's environment for our kids, an environment free of discrimination, bullying, and other negative behaviors, but rather full of love, peace and faith.

My prayer for OCS is that the Lord, the Bible and biblical principles stay at the center of every decision that is made.

My prayer for OCS is that the school will be used to glorify God in all things and that every student coming out of OCS will be a shining light to the world.

My prayer is that each and every OCS student graduates firm in his or her identity and commitment to following Jesus, and that as the school seeks expansion, it will remain a tight community where everyone knows and loves each other.

My prayer is that God will protect and bless the entire OCS community.

My prayer is that the school can continue to pursue the Matthew 28 vision for the faith.

Our prayer for OCS is that He protects all of our students and staff.

I pray more kids in our Christian community are able to attend OCS.

I pray OCS raises enough money to support building updates and expansion

I pray that each child in the school would know who they are in Christ, and with that knowledge they would be the hands and feet of Christ, expanding the kingdom of God wherever they go.

I pray that every child who graduates from OCS leads a God centered life-always!

I pray that every OCS student would know the love of Jesus and share it with others, seeking Him 1st in everything.

I pray that God continues to shine through all aspects of OCS.

I pray that OCS can grow to meet the dreams that so many have for this school.

I pray that our efforts and resources are all geared toward supporting our students academically, athletically, and most importantly spiritually.

I pray that the Lord will continue to empower faculty and staff to stay faithful to Jesus and His word and our children! Thankful for OCS

I pray that the teachers and staff of OCS will be blessed by their incredible mission work.

I pray that there would be unity in all things BIBLICAL and a real push to follow CHRIST by HIS standards.

I pray that you continue to be an awesome school with teachers who love and care deeply for all their students. In God we pray Amen

I pray we continue to expand the curriculum to equip OCS grads to not only be strong defenders of their faith, but also well informed about the beliefs, theories and teachings they will face in the world (related to science, history, politics and other religions) even if the teachings go against the biblical truths we follow. I pray they are intellectually prepared for what they will face in the world post-high school and not ignorant to things that may disrupt their faith.

I pray that we glorify the name of the Lord Jesus Christ in all activities.

I pray unity in Christ

I pray God is working through us all in our efforts to enhance our school

We pray that OCS continues to enrich children`s lives and expand.

I pray that OCS would have the facility and faculty to support a growing student body as they equip Christian leaders in every walk of life!

I pray for all of us as a community to love and serve God, and lead others in loving and serving God.

I pray that God protects all the children as well as gives them all wisdom and discernment to be set apart in this world and to make a remarkable impact in His kingdom.

I pray for OCS to continue to bless its students with the gift of learning and empower them to go out into the world and shine the light of Christ.

I pray for the guidance of God as we continue to build and strengthen our spiritual community.

I pray that the school and its faculty can continue to make a meaningful difference in students and their families so that the greater community will see their light and give God Glory.

We pray that OCS always continues to boldly, accurately & clearly with love teach God's truth and stand for His truth. May OCS's students grow in their knowledge of God the Father, Son and Holy Spirit as well as their walk in fellowship with Christ as their Savior. May they learn to stand strong for truth and spread the truth as they daily put on the armor of God. May they be in the Word and praying daily, guided by the Holy Spirit and in fellowship with others encouraging one another and keeping each other accountable and on the right track. This we pray in Jesus' power name and through the Holy Spirit.

We also thank God for OCS and that He has provided the funds so our students may attend. Everyone NEEDS Jesus and solid truth.

I pray that all students would feel unconditional love at OCS.

I pray for the wonderful teachers who pour into our students each day to bring out the best in them and show them who God created them to be!

I pray that God would continue to expand your reach and your capacity as you mold, inspire and educate students to fulfill their God-given purpose!

My prayer for OCS is that the Administrators, faculty, student body (pre-k- 12th), and community as a whole would experience the love of God, and be so transformed by it that his love spreads throughout the region and abroad, and that our students would be bold Ambassadors for Christ!

I pray that OCS would continue to put Jesus first while instilling a deep love for Jesus into the next generation. That OCS would maintain excellence in our academics and pursue quality over quantity. That OCS would maintain its Christian standards and equip servant leaders.

May God bless our hearts and minds.

My prayer is that we can accept more students who are in financial need.

I pray that ALL Oakland County Christian students would be able to attend OCS.
