- Small blanket and travel-sized pillow for rest time

1st Grade - 5th Grade

6th - 12th Grade

We don't provide a specific school supply list for students in grades 6–12. This helps keep costs down and makes back-to-school shopping less stressful for families! Students are welcome to pick up a few items they find helpful for staying organized, such as folders or notebooks. If a particular teacher requires any specific supplies, those details will be included in the syllabus shared on the first day of school.
