Elementary Pick Up

ID Tags

Each family will be given a set of rear view mirror tags with their family unit number. These tags are to be used by your approved individuals to pick up your children. Pick up persons may park their vehicle and walk up to the main entrance or drive through the Elementary car line to pick up their child(ren). Individuals picking up without their family unit tag will be asked to show their ID and must be on the approved pickup person list created by the child's parents.

Car Line Safety

While in the car line a staff member will input your family ID into our Curbsmart system, which will indicate to the child's teacher to release them to the dismissal line. Each car will be assigned to either lane 1 or lane 2 to pick their child up. Passengers must stay in their car during the dismissal process. Students will be brought to the appropriate vehicle. All students will stand on the sidewalk area in front of the main entrance until their vehicle is parked in one of the designated lanes. Crossing guards and sidewalk monitors will direct vehicles safely to the designated pick up areas. Students will be led to the appropriate vehicles by the crossing guards and sidewalk monitors.
