

## Elementary Physical Education Teacher

---

### Position Profile

The Elementary Physical Education (PE) Teacher will lead students in grades K–5 in age-appropriate physical education lessons that promote physical fitness, teamwork, and personal health. This individual will be responsible for creating a safe, fun, and developmentally sound learning environment that supports the school’s mission and Christian values.

### General Responsibilities

- Develop and implement a Christ-centered PE curriculum for students in grades K–5.
- Teach students fundamental motor skills, sportsmanship, fitness concepts, and teamwork.
- Integrate biblical principles and Christian character education into daily instruction.
- Create lesson plans that align with state standards and the school’s philosophy.
- Organize and supervise physical activities, games, and events such as Field Day.
- Maintain a clean, safe, and organized gymnasium and storage areas.
- Foster positive relationships with students, parents, and colleagues.
- Monitor and assess student progress; maintain accurate records and report cards.
- Communicate regularly with parents through conferences, reports, and informal means.
- Participate in school-wide activities, devotions, chapel services, and staff meetings.

## Elementary Physical Education Teacher

---

- Uphold and model a personal relationship with Jesus Christ in word and deed.

### Administration

- Reports to the Elementary Principal

### Personal Characteristics and Skills of Applicant

- Christ-Centered Living: Demonstrates a personal relationship with Jesus Christ and integrates biblical principles into teaching and personal conduct.
- Servant Leadership: Models humility, grace, and a heart to serve students, families, and colleagues.
- Moral Integrity: Lives and teaches in a way that reflects biblical values, serving as a godly role model for students.
- Patience & Compassion: Displays kindness, understanding, and a nurturing spirit, especially when working with young children.
- Passion for Ministry: Views teaching as a calling and ministry, not just a profession.
- Positive Attitude: Maintains an encouraging and enthusiastic approach to teaching and relationships.

### Qualifications

#### **Spiritual:**

- A personal relationship with Jesus Christ and a commitment to growing in faith.
- Agreement with the school's statement of faith and mission.
- Willingness to disciple students in a Christian worldview.

#### **Professional:**
