

Interventionist

Position Profile

The interventionist supports students in grades 6-12 who need additional academic assistance in core subject areas. This role focuses on identifying learning gaps, providing targeted instruction, monitoring student progress, and collaborating with teachers to improve student outcomes. The Interventionist works closely with general education staff, Social Worker, and administrators to ensure all students receive appropriate support to succeed academically.

General Responsibilities

- Provide small-group and one-on-one instruction in areas such as reading, writing, and/or mathematics.
- Assess student performance and identify skill gaps using formal and informal data.
- Develop and implement targeted intervention plans aligned with curriculum standards.
- Monitor and track student progress; adjust interventions based on data.
- Collaborate with classroom teachers to align intervention strategies with classroom instruction.
- Support students with organization, study skills, and academic habits.
- Participate in Multi-Tiered System of Supports (MTSS) processes.
- Communicate regularly with teachers, counselors, and parents regarding student progress.
- Assist in preparing students for standardized assessments.
- Foster a positive and supportive learning environment.

Administration

- Reports to Secondary Principal

Personal Characteristics and Skills of Applicant

- Knowledge of intervention strategies, instruction, and progress monitoring.
- Strong communication, collaboration, and organizational skills.
- Have a personal relationship with Jesus Christ.
- Faithfully attend a local church whose beliefs are in agreement with our school
- Agree to uphold Oakland Christian's Statement of Faith.

Qualifications

- Bachelor's degree in Education or related field
- Valid Michigan teaching certification (appropriate for middle/high school levels).
- Experience working with students in an educational setting.
