

Secondary Math Teacher

Think back. You decided to become a math teacher to do one thing – to impact the future of your students. At OCS, you will have the opportunity to work in a non-denominational Christian setting at an exemplary school with a rich 50+ year history.

If you are a licensed Michigan math teacher, or working toward certification, who enjoys teaching motivated students in small class sizes in a warm and caring community of educators, we would like to meet you!

OUR MISSION:

Oakland Christian School is providing excellence in education in an environment which is supportive of Bible-believing, Christ-centered families and their churches, and to nurturing individuals to become caring, contributing members of the body of Christ and Society.

Oakland Christian School is located thirty miles northwest of Detroit, Michigan with a kindergarten through twelfth grade enrollment of 500+ students. OCS is accredited by the Association of Christian Schools International.
