

Secondary Student Support Services
Grades 6 – 12

Oakland Christian School is seeking a teacher to fill a Secondary Student Support Services position. We are looking for a teacher to become a member of a collaborative educational support team who desires to help develop strategies and interventions for struggling students.

This position supports students, teachers and parents with instructional strategies, tools and skills for and toward success in the school environment.

The support staff are assigned a case load of students and are scheduled accordingly into the school day.

Qualifications:

- Valid Michigan teaching credentials required (or able to secure them immediately upon hire).
- Special Education certification and experience preferred
- Must be a person of Christian faith
