

STUDENT DRIVERS

As a student driver we need to have a record of your vehicle that will be parked at school during the day. Below you will find an application for parking. Please complete the application and return it to Mrs. Jablonski in the main office. We will bill the parent FACTS account the required **\$20.00 fee**. The fee applies to the STUDENT DRIVERS ONLY. A parking permit will be issued and needs to be placed on the rear-view mirror. If you have a permit from last year, just update the parking permit registration and return it to the main office.

PARKING PERMIT REGISTRATION
